Now you are ready to list cards to sell on Collectors Corner.

Once you login to **My Set Registry**, you'll find help boxes to guide you through the process. The following are some basic steps to get you started.

1 Add the cards you want to sell to your inventory by clicking Add Inventory and typing in the certification number(s) in the box provided. You can also add cards by uploading a spreadsheet.

2 From "My Active Inventory," move the cards you wish to sell from Active to **CC Sales**.

3 Once the cards you want to sell are moved to the CC Sales location, go to “My Collectors Corner inventory” using the location filter in My Inventory.

4 In order to list items for sale on Collectors Corner you need to have a selling price. If the item is priced in the *Sports Market Report* and listed in *PSA CollectibleFacts*, the price will display automatically. If you wish to increase or decrease the price you can do so. It is strongly recommended you list items with images that can be uploaded from this page. You also need to determine your Postage and Handling fees.
